Serial No.

Representation no 52 by Sri. B. Nagappa (Depressed Class) to be discussed in the Dasara Session of the R.A. 1948 re the selection of 2 probationary Asst Commrs. from among the Graduates of the Boya Community

Submitted :-

Kind reference is invited to paras 199 and 213 to 217 of the General Circulars and Standing Orders containing rules relating to nomination to the Mysore Civil Service and to the appointment of probationers to the Gazetted and Upper Subordinate Grades respectively maintaining the representative character of the service is one of the circumstances that is taken into consideration while nominating Candidates to the M.C.S. while selecting Candidates for the posts of probationers, Graduates belonging to Communities not adequately represented in the public service will be selected with a view to equalise the representation of Communities in Service.

This is not the only Community that is so inadequately represented in the public Service, but there are certain other Communities even among Backward Communities that have not been properly represented. So equal sharing of appointments for each individual Community does not seem to be feasible-
